**All Under One Roof**

Our specialised mobility and older age shops are designed so you can discover a wide range of mobility, disability and daily living aids, all under one roof. Whether it’s something to make day-to-day tasks easier, improvements to your home comfort or a better way to get out and about, there’s a host of great products on display at Mobility Solutions.

**Mobility Solutions Glasgow**

Our Mobility Solutions Glasgow superstore is the largest of its kind in Scotland, comprising 7,500 square feet of retail space including a vehicle forecourt.

Our facilities are fully accessible for wheelchair and scooter users and those with limited mobility. Situated just 10 minutes from the M8, we have ample off street parking so your visit is completely stress-free.

**Help is at Hand**

Our friendly mobility advisors are on hand seven days a week to talk you through your options and explain exactly how each product can help.

**See and Try**

We know that seeing products first hand is important before you buy, especially when you rely on mobility aids to help with everyday living. Browse through our displays and try our specialist products for yourself.

We also have a wide range of both new and used wheelchair accessible vehicles available for you to explore.

**Home demonstrations and test drives can be arranged for our mobility cars and powered mobility items completely free of charge.**

---

**Mobility Solutions Clyde Valley**

Our Mobility Solutions Clyde Valley store is located within Dobbies Sandyholm and offers a great selection of the most popular products available at the Glasgow Superstore.

Mobility Solutions is an approved supplier for the Motability Powered Wheelchair and Scooter Scheme. We also offer a range of wheelchair accessible vehicles which are available through the Motability Scheme.

Powered wheelchairs and scooters are offered on a three-year lease whilst wheelchair accessible vehicles have a five-year lease term.

Our friendly staff can guide you through the process and answer any questions you may have, making things as simple and as easy as it should be.
